Monash University Library Search for conference proceedings

The Library Search contains conference papers and proceedings in most disciplines. If you are looking for conference proceedings on your topic of “higher education”, click the Library Search ([http://monash.edu/library/search](http://monash.edu/library/search))

- From the basic search
- Type keywords from your topic and add the words conference or proceeding. For example, **higher education and (proceeding* or conference*)**
- Refine results by selecting the options on the left

If you are looking for the conference proceeding, click on the **Conference Proceedings** link.
