Is sometimes useful for finding content in books when our catalogue records do not have contents or chapter headings.

Searching for the exact phrase is useful

A few related books are retrieved including:

**Gershwin, Rhapsody in blue** - Page 25

Its morphology varies depending on whether it is played as a piano solo, a piece for jazz band, or as a piano concerto, and has also changed with the evolution of recording technology. The present-day orthodox of playing the piece in ...

Now search for the book in the Monash University Library

Interpretations may be a useful keyword

is useful for tracking down some hard to find materials and will give you links to the full text which is provided by subscriptions paid by Monash University Library.
